The Faculty Advisory Committee to the Board of Regents delivered their report to BOR at the Dec. 19, 2019, meeting. Report included a call of 11 questions for the BOR pertaining to ongoing consolidation efforts.

According to CSU-AAUP statement, "While the opportunity to consolidate colleges does not affect our mission, it does require us to make some difficult decisions about where and how we spend our money."

Also available to members is a detailed explanation of these changes on the CSU-AAAUP website. The chart lays out in greater detail the specific changes that will occur. Some changes to retiree pension and healthcare are coming in 2022.
